

Now there is a safe easy way to pay for school canteen lunch orders!

Join mHITS for free and load your account

Send an SMS with the payment amount for your child's food order in this format:

buy <canteen ID> <amount> <year> <class>

Eg: `buy sydprim 5.80 y7 c3`

You will receive a reference number by SMS. Write this on your child's lunch bag along with the order details.

Easy Canteen lets you pay for lunch orders by SMS text message. Fast, safe, simple and secure, Easy Canteen can be added to most school canteen lunch ordering services with minimum effort.

For parents and students:

Forgot to pay for your child's lunch order? No problem, pay by SMS with Easy Canteen! No more searching for the right change or losing money. Easy Canteen gets the payment directly to where it is supposed to go – the school canteen.

For canteen operators:

For school canteen operators, Easy Canteen provides a simple, low cost, cashless payment option that can be added to most existing lunch ordering services. Easy Canteen can also be used for over-the-counter canteen purchases and even vending machines!

How it works:

The mHITS system of paying is easy! Just text the following information:

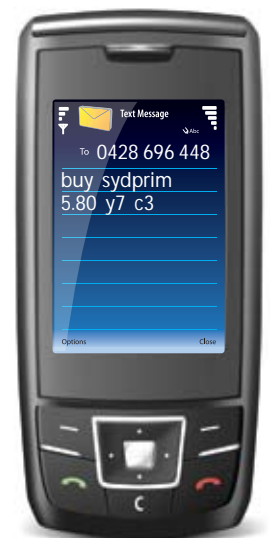

buy <canteen ID> <amount> <year> <class>

Send your SMS to 0428 696 448 (0428 MY MHIT).

Check with your school canteen for their canteen ID.

Example:

So if you were paying for a lunch order from **Sydney Primary** and it costs \$5.80 and your child is in **year 7** and **class C3**, your SMS would look like this example. →
